

1. Section

This is a section.

This is the next paragraph.

1.1 Subsection

This is subsection.

This is the next paragraph.

1.1.1 Subsubsection

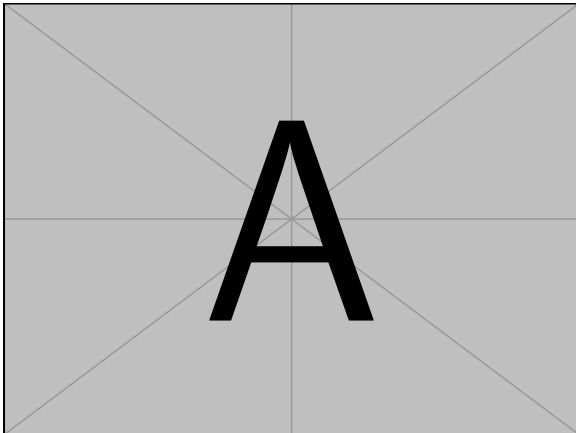

This is subsubsection.

This is the next paragraph. [Table 1](#) is an example of table enumeration.

	Port 1 extension	Port 2 extension
10-mm line	38.37 ps	48.94 ps
5-mm line	42.65 ps	50.44 ps

Table 1: Port extensions for 10-mm and 5-mm transmission lines.

[Figure 1](#) is an example side-by-side figure.

(a) 10-mm transmission line

(b) 5-mm transmission line

Figure 1: Simulated S parameters for each transmission line.

[Figure 2](#) is an example of a single figure.

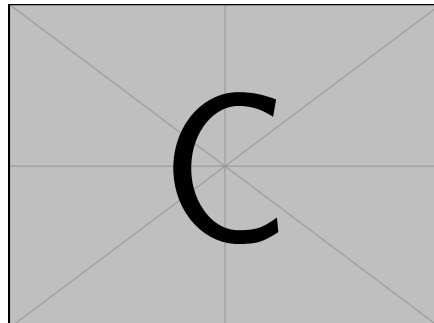

Figure 2: Inductor soldered to 50-ohm transmission line for measurement.
